## LITTERING

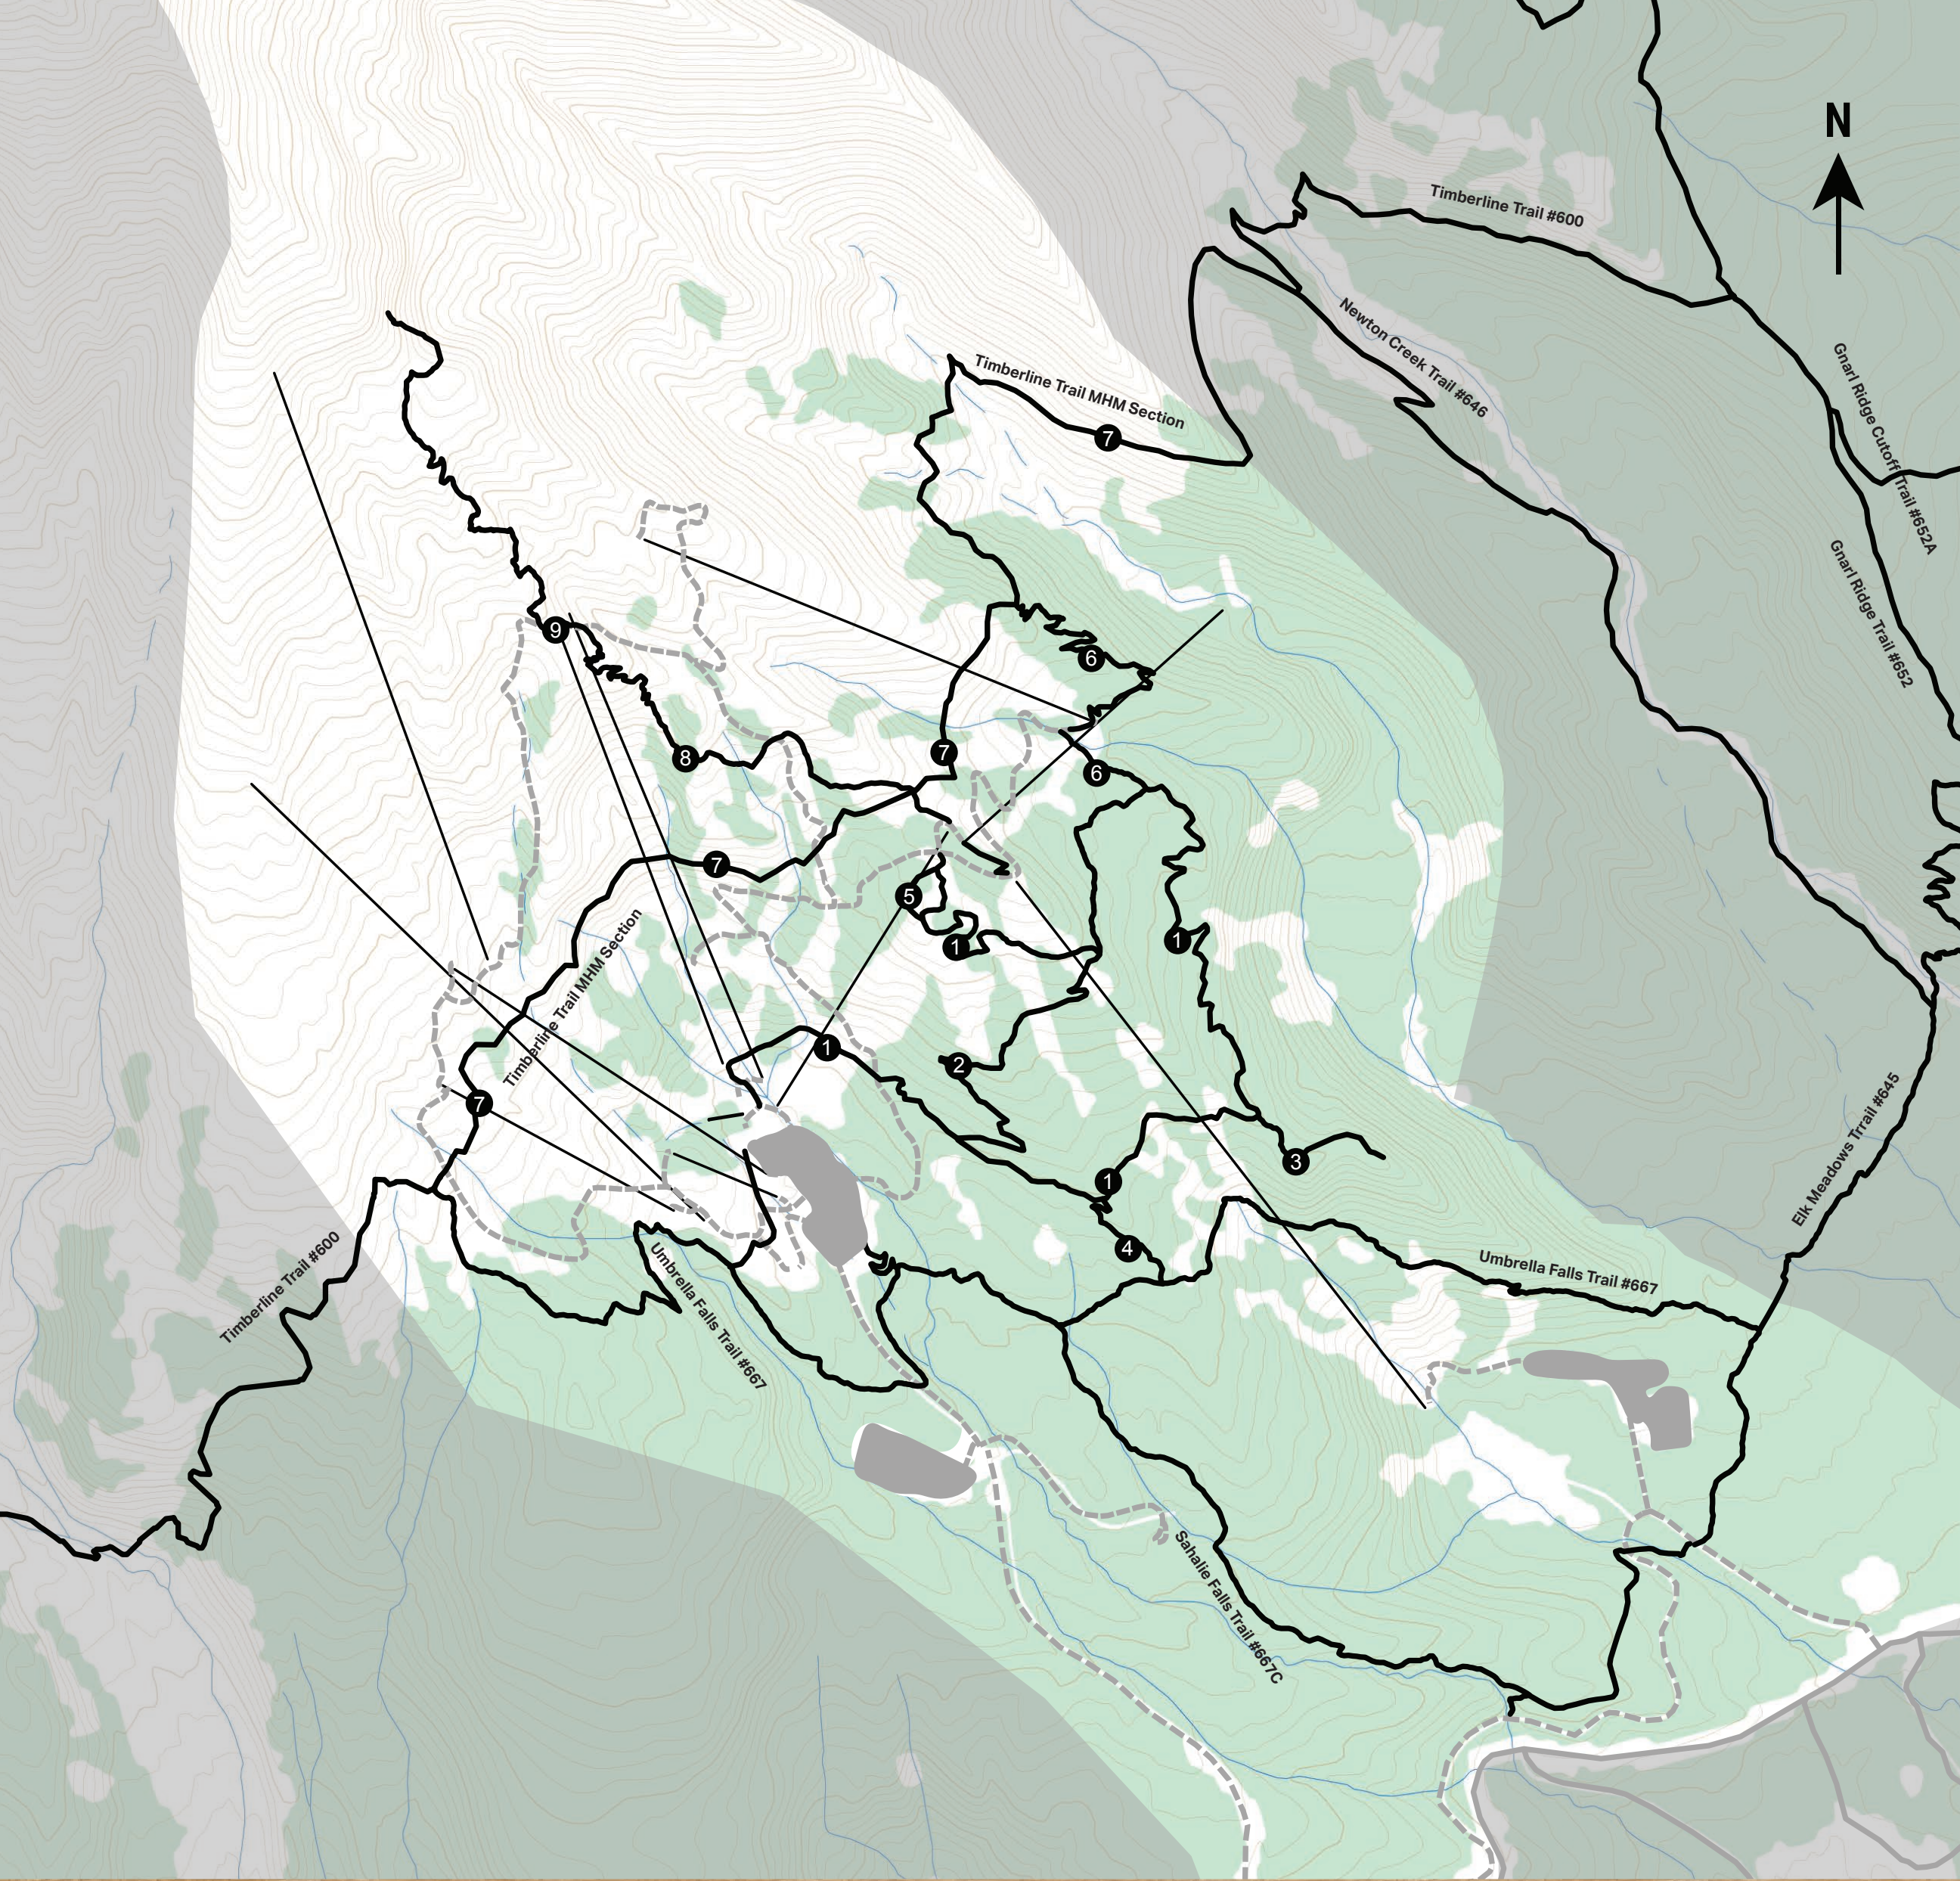

Please Help Keep *Your Mountain Home* Clean!

**NO LITTERING!**

Please help us keep this beautiful mountain clean! Pack out any trash you bring on the mountain. There are garbage and recycling cans in the base area and at the top and bottom of the Stadium chairlift. Litter from Mt. Hood can end up in the creeks that empty into rivers and eventually the ocean. Help us keep this mountain and our planet clean for generations to come!
